

Brownie Think Like an Engineer Journey Workshop

April 25, 2020—9:00 AM -12:00 PM

Trinity UMC, Frederick, MD

Ever wonder what an Engineer does? Like to build things and figure out how they work? Come to the Brownie Think Like an Engineer Journey Workshop and work hands on engineering items to help with everyday tasks.

Everyday you come in contact with designs that engineers have tested and built, whether it is walking on the sidewalk, playing on a playground or going on rides at the local amusement park.

In this workshop we'll explore how Engineers learn to solve problems by discovering the problem, then brainstorming different ways to solve it. They choose one idea and design it. They test the design to see if it works and then they keep working until it does the job. To an Engineer failure is a good thing because every time a design fails, you learn something and can make it better. Join us and learn to think like an engineer!

Workshop minimum is 12 maximum is 84. **Cost for the workshop is \$32.00 and includes Journey Award Badges, snack and materials for workshop. Please plan to arrive 15 minutes before start time for check-in. We will start promptly. Girls should bring their own refillable water bottles.** Girl Scouts and their friends in 2nd and 3rd grades are welcome to attend. Please no siblings or others unless registered.
